

RICHARD WILLIAMS. OUR CANDIDATE FOR THE LOCAL ELECTIONS ON 3 MAY 2018

A strong, independent voice fighting for local issues, without the baggage of supporting a main political party.

I am going to battle to protect the **Green Belt** and playing fields – the main political parties have previously voted to build on them.

We must plan for **well-designed development** of homes at the size we need, where we need them, whilst pressing for additional provision of essential infrastructure.

There's limited parking, our **roads and pavements** are in a terrible state, traffic speeds and poor crossings make being a pedestrian dangerous. I will press Surrey Council very hard for action.

KEEP NATIONAL PARTY POLITICS OUT OF LOCAL GOVERNMENT. VOTE **RICHARD WILLIAMS** ON MAY 3RD
